

Solutions for Pharmacists

The Idaho State Pharmacy Association is pleased to bring you the new NCPA HIPAA Compliance Handbook for Community Pharmacy written by a pharmacist/attorney specifically for community pharmacy. The Handbook deciphers the complex HIPAA regulation and provides usable solutions for small business owners.

The NCPA HIPAA Compliance Handbook for Community Pharmacy features:

- Real-world, commonly asked pharmacy questions
- Plain language description of the HIPAA regulation and breaks down what community pharmacists must do to comply
- Suggested implementation timeline
- Sample HIPAA Policy and Procedures
- Sample Notice of Privacy Practices
- CD-ROM containing example worksheets, Notice of Privacy Practices, patient request forms, letters
